

Product Information:

Adhesive Strip 312

For posters, decorations, memos etc.

General description and applications:

Adhesive Strip 312 is a slightly sticky strip, used for various temporary bonding.

Suitable at home, in the office and in school, for bonding posters, postcards, memos, maps, calendars, decorations etc to walls, doors and windows.

The strip is also suitable for fixing keys, pens, needles, tools – and can be shaped to various figures. Only the imagination draws a limit!

The strip can be used several times.

Physical / chemical properties:

Adhesive:

- Type: Polymer based sticky strip
- Colour: Grey blue
- Consistency: Solid
- Shelf life: Minimum 2 year in tightly closed packing if stored cool.
- Packaging:

Item no.	Size
9470	60 g

Directions for use:

Application:

Pull off the required amount of Adhesive Strip, shape it to a little ball, and press it on to the item which you wish to bond. You can now place the item on several places with a slight press.

For heavy items (posters, calendars etc) it is recommended to use the Adhesive Strip in each corner.

The Adhesive Strip is suitable for surfaces as e.g painted surfaces, glass, metal, plastic. The surfaces must be clean, dry and degreased.

Notice!

Be careful when using Adhesive Strip on wallpaper and other porous surfaces. It might be difficult to remove, and there is a risk of discolouration. You should always make a small test, before using the Adhesive Strip.

Health and safety:

For further information on safety, refer to product safety data sheet.

The information and data contained in this Product Information sheet are based on extensive laboratory testing and our practical experiences and are meant for helping the user to find optimum working methods. As the conditions at the user are beyond our control, we make no warranties concerning the results, achieved by the products. The information's in this Product Information sheet are typical values, intended as a guideline. They should not be regarded as product specifications.
